

# Be an Angel and Give

Cumulus Cedar Rapids is proud to announce the 2009 Angel of Giving Trees Program to benefit hundreds of At-Risk Children served through HACAP including families in Linn, Johnson, Jones, Iowa, Benton and Washington Counties.

Visit sponsor locations starting Tuesday, November 23 and pick an angel from the tree. All angels will have child's first name, age and gift request. Purchase a gift for that child and donate it to the Angel of Giving Program.

Gifts should be wrapped and brought back to sponsor location with the ANGEL attached.

Listeners can also donate cash (checks made payable to HACAP ANGEL OF GIVING).
